 FENG Qin Chief Adviser — Shanghai Offshore Petroleum Bureau of Sinopec	 Seun FALUYI Managing Director Founder — Offshore Dimensions Limited	 Craig Ferguson Front End Business Manager — TechnipFMC
 Alberto MALIARDI Drilling & Completion R&D Manager — Drilling & Completion R&D Manager ENI E&P	 Ding Li ANG Head of Research (APAC) Head of Yards & Fabrication, Cost & Operating Performance — IHS Markit	 Guillaume CHAUSSE SBM Offshore — SBM Offshore
 MegatRahim vice-president — Bumi Armada	 Dr. Gde Pradnyana A senior adviser to — SKK Migas	 Dendi Ramdani Vice President A senior adviser to — PT. Bank Mandiri

Offshore China (Shenzhen) Series Summit: OAP2018 is the most significant event of Offshore Series event from 2008 with a particular focus on offshore oil and gas E&P in China, Asia Pacific and around the globe.

The 16th OC2018 aims to bring 1000+ offshore E&P decision makers around the globe under one roof to share the visionary insights, to forge new partnership and to showcase the state-of-art of offshore techniques

OC2018 Vital Statistics

1000+ Number of Participants

100+ Number of Boutique Exhibitors

70 Number of Speakers

50 Number of Technical Papers

50 Number of Sponsors

25 Number of Countries Presented

Deepwater and Offshore China Conventions were successfully held during 2013-2017. By bringing more than 2300+ decision makers and experts under one roof during 5 years, the event played a positive role in promoting the industrial exchange and project match-making. The organizing committee special thanked to CNOOC, COSL, COOEC, Sinopec, CPOE, Ministry of Mineral and Resources (ESDM), SKK Migas, Petronas, Pertamina Hulu Energi, PTTEP, Shell, Total, Chevron, Eni,

This year's event contents were rich and useful for us to learn more about offshore E&P activities in China. The well-organized networking session enable us to fully interact with IOCs and NOCs.

Contracting Strategy

Financing &
Investing&Digitalization

EPCI Management

Novel Techniques
Application: Drilling,
Subsea and Floating Techniques

Digital offshore oil
and gas development

Why MUST Attend?

- ▶ The Summit Taylor-made for Global Decision Makers in Offshore Oil and Gas Industry
- ▶ Boutique Exhibition and: Precise Positioning of Potential Buyers
- ▶ Secure Networking Quality: Welcome Cocktail Parties, One-on-One Meetings, Gala Dinner and Grand Awards Ceremony
- ▶ Win-win Strategies for the Survival under the New Normal of Oil Price
- ▶ Networking with Leaders from Assets Managements, Financing and Investment Sectors Looking for Good Offshore Engineering Projects
- ▶ New Opportunities and Challenges for Market Interpretation of New Blocks, New Policies and New Demands
- ▶ Procurement Matchmaking and Project Tender for Upstream Leaders
- ▶ EPCI Project Management Skills and Experience Sharing for Executives
- ▶ Most Advanced Offshore Tech and Fit-for-Purpose Solutions Presentations
- ▶ One-stop Offshore Engineering Solution

Aiming to focus on the dynamic Offshore E&P activities and opportunities in Asia Pacific, the 16th OC2018 will bring 1000+ experts and decision makers together from around the world to highlight the latest advancements and technologies related the deepwater projects, drilling technologies and floating production market.

Kindly join the event which is highly recognized for its unique networking opportunities, eminent speakers and an expanded program which offers topics covering the whole value chain and highlights the cooperation opportunities.

OC2018 AWARDS Offshore China AWARDS

SHOWCASING EXCELLENCE IN GLOBAL OFFSHORE INDUSTRY

Offshore China Awards is here to celebrate the industry's best practices and performances. It aims to recognize and honor the excellent efforts and accomplishments of the clean coal industry key companies and individuals in the industry.

At the Awards Dinner, it's an evening of outstanding achievements, excitement and great fun.

THE FOLLOWING CATEGORIES ARE UP FOR NOMINATION

Commercial Awards

- | | |
|--|--|
| ★Excellent Offshore Oil and Gas Producer Award | ★Outstanding Risk Management Award |
| ★Outstanding Drilling Contractor Award | ★Excellent Marine Asset Integrity Management Award |
| ★Outstanding Engineering Constancy Award | ★Pipeline Technology Innovation Award |
| ★Excellent Oil and Gas Service Provider Award | ★Material Innovation Award |
| ★Great EPC Performance Award | ★Premier FPSO & FLNG Contractor Award |
| ★Zero Accidents Award | ★Premier FPSO & FLNG Supplier Award |
| ★Premier Offshore Platform Design Award | ★Outstanding Digitalization Solution Award |
| ★Advanced Underwater Equipment Supplier Award | ★Outstanding Financing Institution Award |

CALL FOR ENTRIES

- 1 Fulfill the Application Form: Download and fulfill the application form from event website.
- 2 Online Application: Submitting the application form to oc@cdmc.org.cn by April 22nd
- 3 Assessment by Judges: Appraising and short listing the candidates during April 22nd-May 13th
- 4 Award Announcement: The winners will be announced at the awards ceremony on May 22nd

Timeline

1. Oct 19 2017 Award Announcement
2. Oct 19 2016 - Mar 29 2018 Online Application
3. April 1 2017 - May 10 2018 First Trial by Organizer
4. May 11 2017 - May 15 2018 Assessment by Judges
5. May 22 2018 Award Announcement

Nominations are now open till April 29th
Submit your entry to oc@cdmc.org.cn

This Summit was successful to establish our Network in Asia Pacific. We made key contact with decision makers'.
